Planting P2 2004

The Tennessee Pollution Prevention Partnership (TP3), Tennessee Pollution Prevention Roundtable, and Tennessee Department of Environment and Conservation (TDEC) are pleased to invite you to attend our second conference. The event will be held at Montgomery Bell State Park.

Planting P2 2004 will be held in conjunction with the Tennessee Chamber of Commerce and Industry (TCCI) Annual Environmental Awards Conference. These conferences are planned during the same week to allow maximum participation and an opportunity for those desiring to attend part or all of both events.

The *Planting P2 2004 Conference* will be held on October 25 and 26, and the *TCCI Annual Environmental Awards Conference*, on October 26 and 27.

About the Conference

Planting P2 2004 is a great opportunity for representatives from business, industry, education, environmental organizations, and government agencies to network. Conference attendees will learn about the benefits of state and federal environmental leadership programs, hear TP3 members describe their pollution prevention success stories and techniques, and discover methods for improving environmental performance. The conference will feature a recognition ceremony for TP3 business and industry leaders, a State of the Environment presentation by TDEC senior management, and a keynote speech by Cam Metcalf, an internationally recognized pollution prevention expert.

Lodging

All conference participants are responsible for their room reservations. The room rate is \$70 per night. A limited block of rooms has been reserved for conference participants at Montgomery Bell State Park Inn under **GROUP CODE 2457 until September 4.** Participants must use the Group Code for this room rate. Room reservations can be made online at www.tennesseeanytime.org/parks, or by calling Montgomery Bell toll-free at 1-800-250-8613.

About TP3

Developed by the Division of Community Assistance within the Tennessee Department of Environment and Conservation, TP3 is a recognition program and statewide network of households, schools, organizations, government agencies, businesses, and industries united to promote environmental excellence through pollution prevention.

TP3 has four Membership Levels:

- Prospect
- Pledge
- Partner
- Performer

Each level involves a greater commitment to pollution prevention, along with unique criteria, rewards, and incentives. TP3 is designed for all Tennesseans to participate, from those just wanting more information to those ready to lead Tennessee into a greener tomorrow.

Access the state parks web site at

<http://www.state.tn.us/environment/parks/index.php>

Go to the top right hand corner click on "Online Reservations."

Please see the special instructions for [state employee reservations](#), [handicapped accessible rooms](#), [golf packages and tee times](#), and [pet accommodations](#) if they apply to you. Or select "Next" to continue.

Use the Drop Down list to select Montgomery Bell State Park and click "Next"

To check availability, select the dates you plan to check in and check out, and whether you prefer a cabin or room in the Inn. After you have indicated the number of people in your room, be sure to enter the Group Code for the Planting P2 Conference: **2457**

The rate type is not important, as the conference rate is associated with the Group Code. Click on "Check Availability" to select your room preference.

If you plan to come before Sunday, October 24 or stay after Monday, October 25 the conference, you may need to make a separate reservation for those dates. The Group Code for the Planting P2 Conference is **2457**, and the Group Code for the Tennessee Chamber of Commerce & Industry Environmental Awards Conference is **2601**. If you plan to attend both conferences, and we hope that you do, please inform the front desk when you check in to avoid the need to change rooms between conferences. You will need to "check out and check in" between conferences, using the appropriate Group Code reservation.

The Tennessee Pollution Prevention Partnership Conference offers this sponsorship opportunity to organizations sharing a commitment to environmental excellence through pollution prevention. Please let us know how you would like to participate and a representative will contact you.
